Welcome from the Team

Welcome to the Rock Aqua Jays Water Ski Show Team 2024 Season!

Whether it's your first visit or your 100th visit, we think you'll enjoy our show this year as we plan to change things up to keep you on the edge of your seat!

We are so thankful to call Traxler Park home and have been putting on water ski shows since the early 1960's. We have a wonderful relationship with the City of Janesville to help create this beautiful world class ski stadium that has hosted local, regional, national and world competitions.

We are also fortunate to have the best in outboard motors - **Mercury Marine** to help us pull our acts like the huge pyramids, beautiful ballet lines and fast barefoot acts. The power and precision provided by this Wisconsin company is second to none and allows us to do all we can to stay on top of our game.

We have other wonderful sponsors, both local and regional, that help support our team. Without them our goal to provide free, family fun events would be much more difficult.

Join us this summer, along with the support of **Festival Foods**, as we host **Star Spangled Saturday** on June 29, 2024. It promises to be a fun-filled day that the whole family can enjoy, capped off with a ski show at 7:00 pm and a spectacular fireworks show at dusk.

Lastly, we want to thank our fans! Without all of you we wouldn't have become the most successful water ski show team in the world and strive to bring that level of expectation to each performance.

Now, on with the show! Let's see how the mayor works with the **Ghostbusters** crew to rid the city of ghostly characters on and off the water! *Who you gonna call?*

We hope you enjoy the show and share your experience on social media – we'd love to hear about it!

THE BIGGEST THRILLS
COME TO THOSE WHO
CARVE THEIR OWN PATH.

Perfect days start at the end of a tow rope. With thrilling turns etched in perfect glass. So grab the handle and give a thumbs up. Your favorite memories await.

MERCURY ENGINES ARE MADE FOR EXPLORING.
SO ARE YOU. GO BOLDLY.

The area's orthopedic leader

Less downtime. Faster healing.

No two bodies are the same. Some get injured, while others wear down. At Mercyhealth, your unique condition is at the center of all we do. Our orthopedic team is here to help you reach your goals, whatever they may be. Whether you're an athlete sidelined by an injury or have experienced an illness or injury like stroke, trauma or an age-related condition that has placed limitations on your everyday life, we're here to get you back to the life you love.

Our orthopedic surgeons offer innovative solutions and minimally invasive procedures, including the latest techniques in advanced joint replacement, for less downtime and faster healing. From diagnosis and treatment to rehabilitation and beyond, we'll help you get back to an active, pain-free life.

Graceful Wakes

Graceful Wakes is partnering with the Rock Aqua Jays to bring adaptive water skiing to the Rock River on Friday, July 12, 2024. The purpose of Graceful Wakes is to enrich the lives of individuals with physical and cognitive disabilities by creating opportunities for them to enjoy the thrill of being on the water. At our free events, participants can ski using adaptive equipment, go tubing, and enjoy pontoon rides! For more information send email to grace@gracefulwakes.com.

The Mercury Marine Pyramid

93-Person Human Pyramid built on September 10th, 2022

Random Facts

- Over 6,400 feet of towline
- Over 200 people involved
- Talent from 7 different show ski teams involved
- Surpassed previous pyramid record of 80 set in 2018
- Starting platform built from 8 barges totaling 190 feet
- 300' Distance from towboat driver to skiers, a football field apart
- Tandem towboat start using 2x triple Mercury Racing 300R V8 Outboards
- A high-capacity quick release at the bow of the main towboat was used to disconnect the "pull boat" after skiers were clear of the starting platform
- 3 Blade x 11 pitch propellers

Records Criteria

- There can only be one single line of people water skiing to create the pyramid, while the participants linked to each other through interlocking arms
- The pyramid must be free-standing and may be maintained only by muscle—no straps, harnesses, or any other aids may be used
- When completed, the pyramid must travel forward a distance of 200 meters in continuous movement without breaking formation or otherwise toppling.

Records Definition

- This record is for the largest human water skiing pyramid formation
- This record is to be attempted by a team of unlimited size
- This record is measured by the number of people that form the human water skiing pyramid
- For purposes of this record, a human water skiing pyramid, is an acrobatic formation performed while water skiing in which the base tier of a minimum of two people support a decreasing number per tier above
